A screenshot of a login form. The form has a title "Login" in large bold letters. Below it are two input fields: "Email:" with the value "user1@example.com" and "Password:" with masked characters ".....". At the bottom is a "Submit" button. A dark overlay box with the text "This page says Authentication successful. Welcome, user1@example.com!" and an "OK" button is positioned over the right side of the form.
